Details of the Agreement for Scientific Exchange, Research and Training between The Joint POW/MIA Accounting Command's Forensic Science Academy and The Faculty of Medicine, Khon Kaen University

The Joint POW/MIA Accounting Command and the Faculty of Medicine, Khon Kaen University, hereby agree to undertake a scientific exchange program effective upon signature of both participants. The following sets forth the guidelines whereby this exchange program shall be implemented within the framework of the Agreement for Academic Exchange and Cooperation between the two Institutions:

1. The purpose of this exchange program is to provide scientists from the two Institutions with occasion to gain overseas experience at the host Institution, thereby developing goodwill and mutual understanding between the two countries. The course work done overseas will be granted credit at their Home Institution.
2. Normally, the period of this scientific exchange program shall be between 1 and 16 weeks.
3. The number of exchange scientists for the initiation period shall be up to 10 per year from each Institution.
4. Each Institution will determine the terms and procedures for selecting then accepting the exchange scientists. Exchange scientists must satisfy formal admission requirements of the Host Institution.
5. The Host Institution shall provide the Home Institution with performance information on each scientist upon completion of the program.
6. The exchange scientists shall be exempted from any application, registration or tuition fees at the Host Institution.
7. The exchange scientists are responsible for their accommodation costs albeit the Host Institution will provide information on accommodations available during the period of the program.
8. The exchange program shall commence in academic year 2009 and continue until 2012.
