BETWEEN  
FACULTY OF AGRICULTURE, KHON KAEN UNIVERSITY  
AND  
FACULTY OF AGRICULTURE, GIFU UNIVERSITY

-----

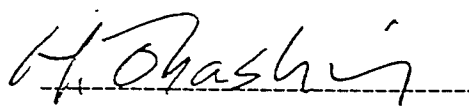

The Dean of the Faculty of Agriculture, Khon Kaen University, Thailand and the Dean of the Faculty of Agriculture, Gifu University, Japan have made an agreement, aiming at the development of academic exchange and technical cooperation between the two faculties.

1. The two faculties, based upon the principles of the respect for independence and for the mutual benefits of both institutions, will strongly encourage:
  - (1) Exchange of faculty members.
  - (2) Joint research activities and scientific projects.
  - (3) Exchange of students.
  - (4) Exchange of scientific materials, publications, and information.
2. In order to perform the above-mentioned activities, the details of the plan will be made by the concerned staff members of the two faculties.
3. This agreement takes effect on the date of signatures by representatives, of both faculties, and will be valid for a period of five years.
4. Amendment or termination of this agreement is to be effected through deliberation and consent of both faculties. If no agreement is proposed or no termination has taken place during the period of five years, this agreement will be automatically extended for another five years.
