

# Memorandum of Understanding

Institut für Biochemie  
Westfälische Wilhelms-Universität  
Münster

Faculty of Associated Medical  
Sciences  
Khon Kaen University

The Institute of Biochemistry, University of Muenster and Faculty of Associated Medical Sciences, Khon Kaen University hereby enter into this agreement to foster international cooperation in education and research.

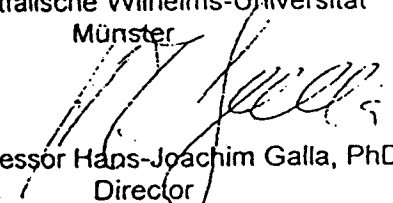

1. Both parties agree to encourage the following activities in particular to promote international academic cooperation as follows:
  - (1) Exchange of faculty members and research scholars;
  - (2) Exchange of students;
  - (3) Joint research activities and meetings for education and research
  - (4) Exchange of materials and technologies in education and research, publications and academic information

These activities will be focused on special topics as follows:

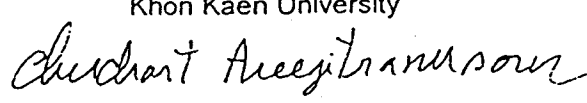

- (1) Nano-biotechnology : systems and instrumentations
  - (2) Molecular biology, biochemistry, biophysics, organic syntheses for new targets and chemical reactivity especially in molecular interactions
  - (3) Pharmacology concentrating on drug delivery, identification of active natural products and developing techniques and diagnosis in cancer research and immunology
2. This agreement shall be effective as of the date of signature by both parties. The amendment or the termination of this agreement shall not be effected without deliberation between the two parties.
3. The Institute and Faculty acknowledge that in the absence of any specific agreement to the contrary, all expenses of salary, travel, living and allied costs will be determined at the discretion and be the responsibility of the visitor's home university.
4. Both parties agree that this agreement should be reviewed approximately every five years in order to valuate progress and improve the quality of the exchange.

May 6, 2006, On behalf of

Institut für Biochemie  
Westfälische Wilhelms-Universität  
Münster

  
(Professor Hans-Joachim Galla, PhD)
