

Cooperation Framework on the Transfer of Students between China's Guangxi Economic Vocational College, P.R. China and Khon Kaen University, Thailand

A. Nature of Cooperation

After meetings, visits and exchange of information, both parties agree to cooperate on the transfer of students between the two universities.

B. Recognition of Prior Learning

Khon Kaen University, Thailand will recognize the prior learning experience of students from Guangxi Economic Vocational College as entry into the appropriate level of study for a bachelor's program of Khon Kaen University. This entry will be decided by Khon Kaen University, Thailand.

Students majoring in Business English, International Business, Hotel Management and Marketing from Guangxi Economic Vocational College who have completed their three-year studies may continue to do a bachelor's degree offered by Khon Kaen University according to the requirements and regulations of Khon Kaen University, Thailand according to the requirements and regulation of KCU.

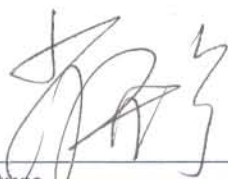

Additionally, students from Guangxi Economic Vocational College are required to achieve an English Language level as Khon Kaen University requests before being enrolled into the degree program of Khon Kaen University, Thailand.

C. The Principle of Cooperation

1. There are 2 copies of the signed agreement, one kept by Guangxi Economic Vocational College and one by Khon Kaen University.
2. This cooperation is effective from its date of signing, for a period of three years.
3. The party who intends to terminate this cooperation must inform the other party six months in advance.
