

LETTER OF COOPERATION

August 6 2015

Assoc. Prof. Dr. Pornthap Thanonkeo
Dean of Faculty of Technology
Khon Kaen University, Thailand

Reference: Cooperation between Khon Kaen University and Texas A&M University

Dear Dr. Thanonkeo:

Khon Kaen University and Texas A&M University recognize that cooperating would be of mutual benefit and would serve as an indication of continued interest in joint activities. It is agreed the institutions would explore:

- (i) the exchange of faculty for joint teaching and research programs;
- (ii) encouraging the enrollment of qualified students in the other's academic programs;
- (iii) avenues for strengthening their relationship and furthering excellence in United States and Thailand education, and;
- (iv) the development of an official Memorandum of Agreement at a later date.

This Letter of Cooperation will become effective on the final date of signing and will have a duration of one year. The parties have executed this Letter of Cooperation on the day and year last specified below:

Dr. Michael C. Pope
Department Head, Geology and Geophysics
Texas A&M University
College Station TX 77843 USA

Assoc. Prof. Dr. Pornthap Thanonkeo
Dean of Faculty of Technology
Khon Kaen University
Khon Kaen, Thailand

Date:

Date: 18 January 2016

copy: Kim Fox (kfox@tamu.edu) Texas A&M International Programs Office

Appendix:

Planned activities in the first year include participation by Texas A&M faculty and students in GEOINDO and EM International Workshop conferences in Thailand; and participation by Khon Kaen Univ. in geophysical field work at Trachye Mesa in Utah and Ft. Bridger in Wyoming. Deliverables will include conference abstracts and publications of scientific articles relating to the field studies. Efforts will be undertaken to identify sources of additional funding for continuing Texas A&M-Khon Kaen scientific collaborations.
