Wakayama Medical University, Wakayama, Japan  
and  
the Faculty of Medicine, Khon Kaen University, Thailand

---

Wakayama Medical University, JAPAN, and the Faculty of Medicine, Khon Kaen University, THAILAND, hereby agree to undertake a student exchange program.

The following sets forth the guidelines whereby this exchange program shall be implemented within the framework of the Agreement for Academic Exchange and Cooperation between the two Universities:

1. The purpose of this exchange program is to provide selected students from the two Universities with occasion to gain overseas experience at the host University, thereby developing goodwill and mutual understanding between the two countries. The elective course-work done overseas will be granted credit at their Home University.
2. Normally, the period of this elective exchange student program shall be between four (4) and six (6) weeks.
3. The number of exchange students for the initiation period shall be up to four (4) per year from each University.
4. Each University will determine the terms and procedures for selecting then accepting the exchange students. Exchange students must satisfy formal admission requirements of the Host University.
5. The Host University shall provide the Home University with performance information on each student upon completion of the program.
6. The exchange students shall be exempted from any application, registration or tuition fees at the Host University.
7. The exchange students are responsible for their accommodation costs albeit the Host University will provide information on accommodations available during the period of the program.
8. The exchange program shall commence in academic year 2010 and continue until 2014.
