

## MEMORANDUM OF UNDERSTANDING

between

FACULTY OF NURSING, KHON KAEN UNIVERSITY, THAILAND

and

KUMAMOTO HEALTH SCIENCE UNIVERSITY, JAPAN

This document constitutes a Memorandum of Understanding between Faculty of Nursing, Khon Kaen University in Thailand and Kumamoto Health Science University in Japan. Both parties engage in a program of Co-operation.

Based on principles of equity and reciprocity, this Memorandum of Understanding will serve as a general framework for collaboration between the two institutions, and is not intended by any party to constitute a legally binding agreement. We, the undersigned in the spirit of international understanding and goodwill, agree:

1. To promote exchange and co-operation in all appropriate and agreed academic areas of internship, research, and teaching, the sharing and dissemination of information, and other areas of mutual interest.
2. To facilitate exchange of and co-operation between students, staff, and faculty of both institutions in internship, research, teaching, and other areas of mutual interest.
3. To discuss the exchange of students, staff, and faculty wanting to visit and/or participate in the education programs and service systems of each institution.

Specific activities, student and faculty exchanges, relevant funding, and other matters relating to the implementation of this Memorandum of Understanding shall be negotiated and dealt with based on principles of equity and reciprocity.

This Memorandum of Understanding shall be effective for five years from the date of signing by the representatives of the two institutions in the first instance and shall be subject to change, renewal, and termination by mutual written consent of the two institutions
