

MEMORANDUM OF UNDERSTANDING

between

FACULTY OF PHARMACEUTICAL SCIENCES, KHON KAEN UNIVERSITY

KINGDOM OF THAILAND

And

FACULTY OF OF PHARMACEUTICAL SCIENCES, KU LEUVEN, BELGIUM

Faculty of Pharmaceutical Sciences, Khon Kaen University (KKU), Kingdom of Thailand and Faculty of Pharmaceutical Sciences, KU Leuven, Belgium, agree to enter into a formal collaborative agreement based on a foundation of trust for the mutual benefit and development of the two institutions and the promotion of international understanding and goodwill.

1. Faculty of Pharmaceutical Sciences, KKU and Faculty of Pharmaceutical Sciences, KU Leuven will jointly develop some or all of the following activities based on their respective academic and educational needs:
 - a. exchange of research materials, publications and information;
 - b. organization of joint research programs;
 - c. exchange of students;
 - d. exchange of academic staff;
 - e. exchange of administrative and other non-academic staff;
 - f. co-operation in the recruitment of students.
2. The implementation of exchange programs under this agreement shall be separately negotiated and determined by both universities.
3. Nothing shall diminish the full autonomy of either institution, nor will any constraints or financial obligations be imposed by either upon the other in carrying out the Memorandum of Understanding.
4. This Memorandum of Understanding is subject to revision or renewal by mutual agreement. It is also understood that either institution may terminate the Memorandum of Understanding at any time, although such action will only be taken after mutual consultation in order to avoid any possible inconvenience to all parties.
5. The Memorandum of Understanding will be valid for five years and become effective when the representatives of both institutions have signed and dated the document.
